

Direct to Me

Setting up your Direct to Me is as easy as 1-2-3:

1. Log into online banking and go to “transfers” in the left side navigation.
2. Choose “add a link to an Account at another Financial Institution”.
3. Follow the instructions located at the top of the External Link Authorization form to set up, review the terms and conditions and frequently asked questions.

Once set up and authorized, you will be able to transfer money immediately between accounts, or set up a recurring or future dated transfer.
